

Carers Week 12th - 18th June 2017

Together we can build carer friendly communities

Carers Week is an annual campaign to raise awareness of caring, highlight the challenges Carers face and recognise the contribution they make to families and communities throughout the UK.

This year Carers Week is focusing on building Carer Friendly Communities. Communities which support carers to look after their family or friends well, while recognising that they are individuals with needs of their own.

3 in 4

carers don't feel their caring role is understood or valued by their community.

Please visit www.carersweek.org/get-involved/recommend if you would like to recommend a Carer Friendly service

n-compass Carers Service work across the county providing support and information to Adult Carers (18+) and specialist support to Carers of Adults (16+) with a Mental Health Condition.

n-compass Carers Services pledge throughout the year is to identify new carers, support carers already known to our service and educate services within your community to identify and support carers. During Carers Week our Carers Support Workers and Development Officers will be out and about in your area providing information in GP practices, acute, community and mental health hospitals as well as joining forces with other agencies to raise the profile of carers.

To find out where and when we will be in your area or if you would like information on our service please visit our website www.ncompassnorthwest.co.uk

Additionally you can contact us on 0345 688 7113 or cadmin@ncompassnorthwest.co.uk
