Cont'd...

This practice plans to offer the facility for patients to view online, export or print detailed coded information held in their own records from **31.03.2016**.

These dates are subject to the necessary NHS GP systems and software being available to the practice.

This practice currently offers the facility for patients:

- to book, view, amend, cancel and print appointments online
- to order online, view and print a list of their repeat prescriptions for drugs, medicines or appliances
- to view online, export or print summary information from their record, relating to medications, allergies, adverse reactions and any other items agreed between the practice and individual patient

We will publicise and promote our online services to our practice's patients through the practice website, practice waiting room leaflets, posters and the Patient Participation Group by **31.03.2016**.

**(In addition to the above, you may wish to provide further details of your plan as per the example below.)**
